

Monolithic Power Systems Executives to Speak at Three Investor Conferences in Late May

SAN JOSE, Calif., May 14 /PRNewswire-FirstCall/ --Monolithic Power Systems (MPS) (Nasdaq: MPWR), a leading fabless manufacturer of high-performance analog and mixed-signal semiconductors, today announced that company executives will present at three investor conferences at the end of this month.

On Monday, May 19th at 10:00am PT, MPS's CFO Rick Neely will present at the Seventh Annual JMP Securities Research Conference at the Ritz-Carlton Hotel in San Francisco.

On Wednesday, May 21st, Mr. Neely will present at Wedbush Morgan's 6th Annual MAC: Management Access Conference for Micro-Small-Mid-Cap Companies at the Le Parker Meridien Hotel in New York City. Mr. Neely's presentation begins at 2:15pm ET.

And on Thursday, May 29th, MPS CEO and Co-founder Michael Hsing will present at the Friedman, Billings, Ramsey (FBR) Spring Investor Conference at the Grand Hyatt, Park Avenue at Grand Central, in New York City, at 10:30am ET.

MPS executives will discuss the company's continued success in developing and delivering leading-edge analog and mixed-signal semiconductor products.

About Monolithic Power Systems, Inc.

Monolithic Power Systems, Inc. (MPS) develops and markets proprietary, advanced analog and mixed-signal semiconductors. The company combines advanced process technology with its highly experienced analog designers to produce high-performance power management integrated circuits (ICs) for DC to DC converters, LED drivers, Cold Cathode Fluorescent Lamp (CCFL) backlight controllers, Class D audio amplifiers, and Linear ICs. MPS products are used extensively in computing and network communications products, LCD monitors and TVs, and a wide variety of consumer and portable electronics products. MPS partners with world-class manufacturing organizations to deliver top-quality, ultra-compact, high-performance solutions through the most productive, cost-efficient channels. Founded in 1997 and headquartered in San Jose, California, the company has expanded its global presence with sales offices in Taiwan, China, Korea, Japan, and Europe, which operate under MPS International, Ltd.

Monolithic Power Systems, MPS, and the MPS logo are registered trademarks of Monolithic Power Systems, Inc. in the U.S. and trademarked in certain other countries.
